Children's Enrollment in Medicaid and SCHIP, 2005

Source: Kaiser Commission on Medicaid and the Uninsured analysis of CBO March 2006 baseline and CMS Statistical Enrollment Data System, 2006; and CMS FY 2005 SCHIP Enrollment Report (July 12, 2006).

Figure 3

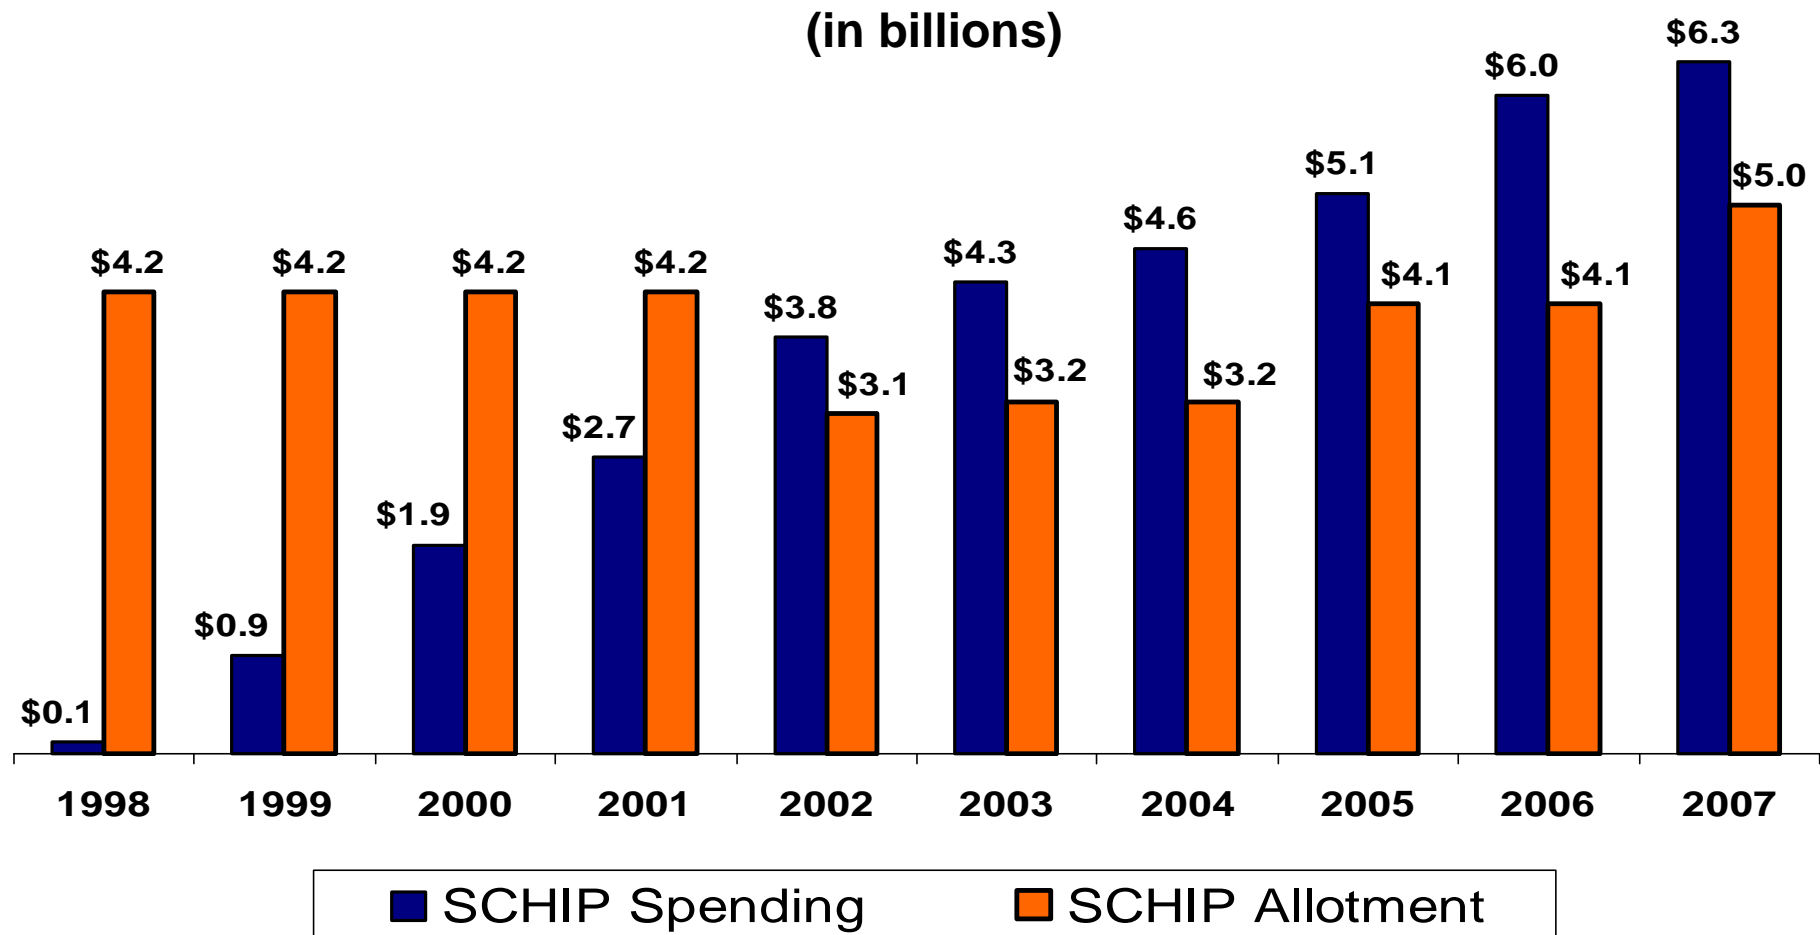

Trends in the Uninsured Rate of Low-Income Children, 1997 - 2005

Source: Georgetown CCF analysis based on data from the National Health Interview Survey, November 2006. Beginning in 2004, the NHIS changed its methodology for counting the uninsured. This results in the data for 2004 and later years not being directly comparable to the data for 1997 – 2003.
